Walt Meier

Walt Meier is a senior research scientist at the National Snow and Ice Data Center (NSIDC), part of the Cooperative Institute for Research in Environmental Sciences (CIRES) at the University of Colorado in Boulder, Colorado. He is the lead scientist for NASA cryospheric data products supported by NSIDC. His research focuses on satellite remote sensing of sea ice and polar climate. He has previously been a research scientist at the NASA Goddard Space Flight Center in Greenbelt, Maryland, and an adjunct assistant professor at the U.S. Naval Academy in Annapolis, Maryland.
