*Review of meeting
June 2024*

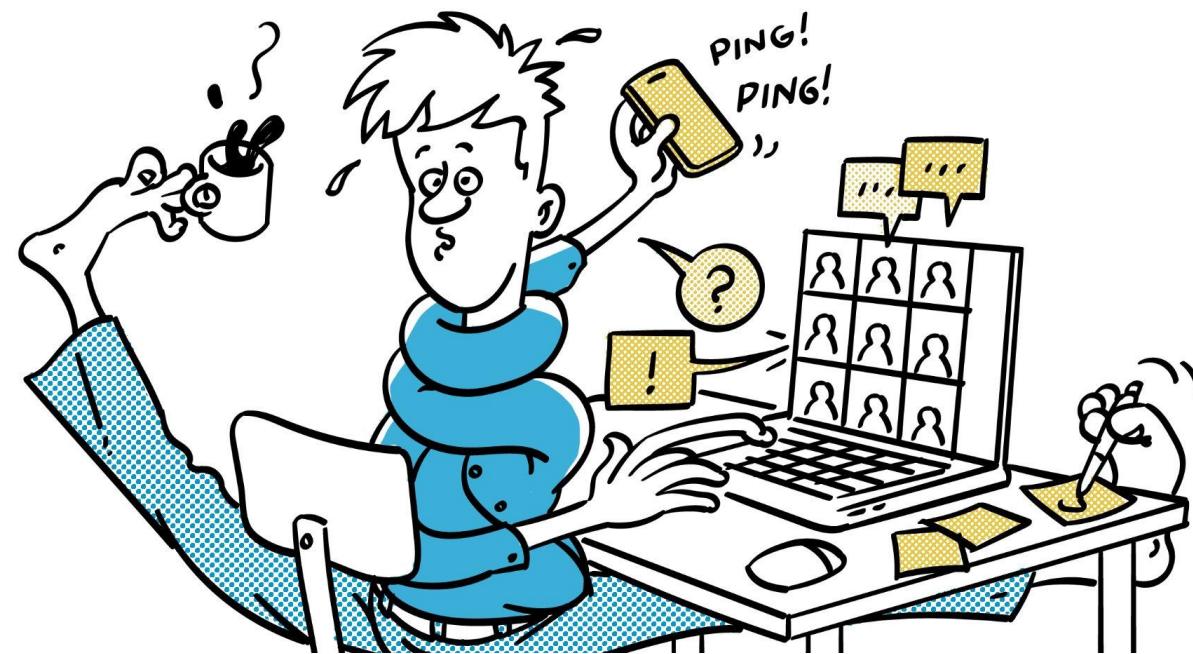

Background

1. Annual MRCC-SC meeting
2. How are SCs engaged with CoCoRaHS?
3. What can MRCC do to help?

The Plan

1. Virtual
2. One day only

Setting the stage

Learn and share experiences concerning CoCoRaHS recruitment, retention, and other state coordinator activities across the Midwest.

Improve collaboration between state coordinators and CoCoRaHS HQ for things such as training, resources, and other needs.

Setting the stage

Objectives:

1. Share **communication and retention** strategies and lessons learned.
2. Share **recruitment** strategies and lessons learned.
3. **Enhance collaboration** among state CoCoRaHS coordinators.
4. Provide an opportunity to **strategize 2024 plans** for improvement within each state.
5. **Encourage state climatologist** involvement in state coordination.
6. Discuss strategies to make **statewide coordination** more effective.
7. Identify **tools and resources** that would help state coordinators be more effective.
8. Provide training for **backend** administrator / coordinator website **capabilities**.

Setting the stage

Anticipated Outcomes:

1. Each state will gain new ideas to improve **recruitment** of observers.
2. Each state will determine something new to try in 2024 regarding **recruitment, communication, and retention.**
3. Each state will develop ideas to improve **collaboration** within their coordination teams.
4. CoCoRaHS HQ will gain insight into the **tool and resource needs** of the state coordinators.

What worked

1. Representatives from all 9 states (40+ participants)
2. Diversity of recruitment and retention
3. Break-out groups for 2024

What was a challenge

1. Virtual format
2. Limited turnout for some states

1. Annual? Bi-annual?
2. Shortened day
3. Subregional challenges/contests
